fuck my pussy, fuck my mouth

HOME TOWN: Raleigh, NC

HITCHED: July 2010

LONELY: I try not to be

HEIGHT: 5′ 7″

WEIGHT: 115 lbs.

CHEST: 36C

PIERCED: Just my ears

BJ: Sure, I like doing it

GUYS: Most are pretty cool

ANAL: I′ve tried it

I love to have my clit licked. If it's done right, I can cum in thirty seconds. Of course I want it to last longer than that, but it might be some kind of record. I love the tongue because fingers don't feel as soft and wet. I like fingers in my pussy, but when it comes to my pleasuring my clit, it's gotta be the tongue.

fuck me doggy-style

HOME TOWN: Peoria, IL

HITCHED: August 2009

LONELY: Weekends, mostly

HEIGHT: 5′ 8″

WEIGHT: 110 lbs.

CHEST: 36B

BJ: You gotta do it

FAVE POSITION: Probably doggie

GUYS: I′ve got a good one

DONE GIRLS: In college I did

My favorite position is probably on my knees, on all fours. Doggy, but with my head down on my arms and my butt in the air. Men tend to be more enthusiastic about that position. When they're back there, they let themselves get a little wilder, and they end up doing all the work. That way, I can just be there and enjoy it!

I think about having sex all the time. That's one reason I'm in this business. Sex for the camera is much different than sex for real. There is too much starting and stopping during a shoot. The director controls the pace and the acts. When in private, there should be a smooth flow to lovemaking with no one in control. It's sharing.

Guys get nervous around me when they discover what I do for a living. I can handle it but some guys can't. Guys who are respectful can get a long way with me. No talking down to me or bashing my business allowed. I find the more mature men come with a little age on them and that's a good thing.

my best days are just beginning

I was married for ten long and, once-in-a-while, loving years. My husband worked hard, and I admit I was a little pampered. I'd go to the club, the spa, get my hair and nails done once a week. I'd have a girl's night out every Monday, because he was a big Monday Night Football fan, so he wouldn't pay attention to me then anyway. At the bar or the restaurant we girls would go to, we'd get hit on, or we'd talk crap about our husbands and boyfriends. You know, the typical stuff.

Usually it would be me, Caryn, Ashley and Claire. We were all in our early thirties, two were married and Claire was in a long, monogamous relationship with her college beau. I was the first to get a divorce, then a year later it was Caryn but the other two, as of this writing, stayed in their relationships. Fortunately, our Monday night get-together continued and Caryn brought in another 'member,' Shayenne who she says she met before her break up, but now they had hooked up and were lovers. Well, as you can imagine, that introduced a whole new dynamic to the group, but she said Shayenne was fun, uninhibited and didn't try to convert us. We had all sorts of questions for the both of them about turning gay or being gay. Kissing a girl and licking pussy. We giggled and laughed and ran up huge food and drink bills wherever we went.

Two months later Caryn got a job transfer out of town. We were all pretty sad but she insisted we continue with our weekly Monday night rendezvous, and we did. Over the next few weeks I really started taking more of a liking to Shayenne, in more than a friendship way, that is. She was intelligent, articulate, quite attractive and an admitted bisexual, with a definite leaning towards lesbianism. As we were ending one of our evenings and we were heading home, I asked her for a ride to my office's parking lot. (I had purposely left my car at work). She dropped me off and I asked if I could thank her by taking her out to dinner tomorrow night. She smiled, nodded yes, and gave me a quick soft kiss on the lips. It happened so fast I couldn't respond one way or the other, but I'll admit I thought about it all the way home, that night, and at work the next day.

We met at Risen, a hip restaurant in the old brewery district. She looked stunning and, admittedly, I was looking pretty hot myself. We ordered dinner and drinks and talked until almost midnight. Now I think I'm now attracted to both sexes, but I'm still primarily drawn to men. This is undoubtedly due to

Slowly she pulled down her bottoms and popped out an eight inch, flesh colored, life-like penis.

my fascination for and adoration of the cock which pulls me like a magnet. I love sucking them, rolling my tongue around them, and I love having them inside me, throbbing until they explode, filling me with ecstasy. Shayenne told me that engaging in sex with women does not necessarily mean doing without cock. I had played around with dildos and have used them for years, but it will be with Shayenne that I'll discover the dildo's full potential.

She told me that lot of people are baffled when they hear about lesbians using toys, because if they want to get fucked, why they don't go for the real thing. But loving women emotionally and sexually does not necessarily preclude the desire to be penetrated. Truth is, many lesbians are just downright raunchy. Shayenne was that kind of lesbian. She was five years my junior. Dark hair, dark eyes, a tight body with gorgeous firm tits.

That night we went back to my place and immediately we were all over each other, sucking, touching, bumping and grinding. Shayenne was so aggressive I almost felt like I was with a man. She would spread my legs and hump me wildly, sticking her fingers in my pussy and rooting them around so that I felt I was being fully fucked. But that wasn't enough. We wanted more than fingers, and bigger. I took out my six-inch red plastic dildo. She held it in her hand. "You call this a dildo?" she moaned. Clearly, I was lacking in some vital sexual knowledge, though I had no idea what that might be. She told me to come to her house Friday as she left mine.

That Friday night I went to her house, my heart pounding and my pussy wet and twitching. She greeted me at the door wearing a low-cut top and pajama bottoms. When she grabbed me and held me close, tonguing my mouth, I felt a discernible bulge in her pants. Intrigued, I rubbed my crotch against it, getting myself hot, moaning and groaning and thrusting my boobs against hers. After a while she released me and led me to her bedroom. She sat down on the edge of the bed and gently pushed me to my knees, my face in her crotch. Slowly she pulled down her bottoms and popped out an eight inch, flesh colored, life-like penis. It had a very real looking head with simulated veins along the shaft.

I looked up at her and then back at it. She nodded her head and mouthed 'suck it' with her lips. I reached out and took it in my hands and stuck my tongue out to lick the head. Since it was made of silicone, it tasted funny, but seeing it so close to my mouth, my sexual reflexes took over and I thought it to be a penis. It seemed so real that my taste buds took a back seat and I took it into my mouth as I would a real cock, bobbing my head up and down, letting the head touch the back of my throat. I licked it all over, oblivious to the strange taste, stroked it lovingly, and gazed up to see her eyes smoldering. Soon she made me take off my clothes and rub her cock between my boobs. All the while she watched us in her dressing mirror. Every so often I glanced over and saw myself in the

classic position, on my knees with a mouthful of cock meat.

After awhile Shayenne removed her clothes, and I saw that the dildo was held by a leather harness wrapped around her hips. I'd never seen this before. Shayenne laid me across the bed, spread my legs and mounted me. Grasping the cock in her hand, she eased the head into my soaked pussy. I thrust my hips to get more, but she plunged it in and then slowly slid all the way up to the hilt, shocking and thrilling me at once. I squeezed my pussy muscles around it. I swear it felt just like I was being fucked by a real cock. I grabbed hold of a breast and sucked, lifting my legs higher to allow deeper penetration. My pussy unfolded more and more until I was nearly fainting with pleasure.

She had this fucking-with-a-cock down. When I closed my eyes, it seemed like a man was fucking me. Her strokes were strong and forceful, and she knew just how to play it. I was ready to cum when she rolled us both over and now I'm on top. I sat up on her cock and bounced up and down, reaching a frenzy of excitement. My boobs bobbed, my nipples stood out like bullets, and my hair flowed down my back as I arched my body. She reached up and squeezed my nipples with her fingers so hard that they hurt, and then the pain changed to pleasure. I leaned forward and positioned my left nipple in her mouth. She wrapped her moist lips around it.
I fucked that rubber cock like I'd fucked scores of real cocks before.

Shayenne's finger finds my button and she rubs it harder and harder until my whole body began to tremble and shake. My pussy palpitated and I had the biggest, noisiest, most drawn out orgasm of my life. I was so lost in my own climax that I didn't realize she had cum at the same moment, then she rolled me over and fucked me good and hard, just the way I like it after I cum, pounding herself into me until I was spent. Afterward we laid side by side, the dildo still inside me, and still, of course, hard as a rock. I was totally awed. Not only could a dildo provide the same pleasure as a cock, there was no problem about maintaining an erection. There was whole new world opening up to me and felt a new type of excitement. Who needed men, I wondered, after an experience like this?

For all you men out there, please do not fret, you can't be (totally) replaced:) There are still many things a dildo just can't provide, such as the taste and feel of real flesh, a spurt of hot cum, and a pair of balls which I love to fondle and suck. And then there are all those other delightful male characteristics, like hairy chests, powerful muscles and the male sexual energy that drives me wild. My lust for real cock hasn't dwindled at all; rather, my lust for women has increased.

For the next year, Shayenne and I would see each other quite often and have all kinds of sex, with and without our toys. We brought a man into our bed and had a marvelous three way with Shayenne fucking him in the ass as I was under him and took his splooge in my mouth. One time we invited another lady to join us and both Shayenne and I wore dildos and we managed a rather feminine double penetration. It took a few minutes, but after we got the logistics worked out, we fucked her like no one else and she came screaming and bucking like a wild animal.

Six months later our time together, sadly, ended. We parted friends and I said goodbye to a friend, a lover, a mentor and one helluva good fuck. She got married – to a man. Life is full of surprises. Immediately, I bought a quality silicone dildo and harness, and the next time I took a woman to bed, I was the 'man.' Somehow, I began to like the sensation of fucking a woman, tapping into my own strength and power to please her. Ladies of Santa Rosa, watch out.

Good sex cannot save a bad marriage or relationship. It has to go much deeper than that. But there are great relationships based soley on sex. I had several when I was in college. Booty calls. Hook ups. Blow jobs. Hand jobs. Finger fucks. Just sex. Maybe you'd want to have one with me. Just for the sex of it.

Strange Tryst

We decided we were both in losing relationships with our spouses. Nikki and I are both married, but not to each other. It all started after we met online. As we got to know each other, we started to fall for each other. Then one day we decided to meet so we met halfway.

Nikki and I met that day at a hotel restaurant, just in case one of us got cold feet. But as soon as we got there we knew that we going to do it, so we skipped the meal and headed straight for the hotel room. After checking in as Mr. and Mrs. we went to the room and we started to kiss, Nikki with her hand down my pants, and me down hers. She was so wet that I slipped in one finger, then two with ease.

A few more minutes of groping and we started to undress each other as we were both naked. I pulled her over, then she pushed me down on the bed and started to suck my cock. She took more in her mouth than my wife. Then she wanted me to eat her shaved pussy, which I did for ten wet minutes as I was eating her. Then she pulled my head up and rolled me over and climbed on me and began sucking me again. She put her shaved pussy on my face and I continued to eat her out as she sucked my cock. I put both hands under her hips and lifted them a little and slid my mouth from her pussy and started to rim her. Nikki loved that so much, she decided that she tried to pay me back by trying to take my entire cock down her deep throat.

We finished sixty-nining and she climbed on top of me taking my cock and guiding it into her love hole. At first it wouldn't go in so we went slower. I think she was just wanting to put it right on the opening to tease me. She started to kiss me again I think she liked the taste of her pussy on me because my face was so wet with her juices and she was licking it all up. After she finished teasing me, she started to slowly fuck my cock. I laid there and watched her bob up and down on it as her boobs bounced and her hair twisted around her head. Then she stopped and got off me and laid on her back and spread her legs wide. She rubbed her clit for a moment and told me to start fucking her again. Ever the gentleman, I obliged.

I positioned myself between her legs and slide my cock into her in one deft motion. After a few minutes of pumping her hard, I shot my first load all over her beautiful boobs. We took a break and then she started sucking my cock again and brought it from semi-limp to full raging hardon again. Satisfied with her effort, she got on all fours and told me to get behind her. I do that and now I'm on my knees as I watch her pull a bottle of lube out and asked me to put some on her asshole. So I did.

After a few minutes of fingering her asshole, she took my cock and guided slowly it into her ass. We fucked like that for a while as I did my best to keep up with her hip thrusts. Then she wanted to get on me and have her sit on me with my cock still in her ass. She leaned forward, grabbed my ankles and pumped her hips up and down, giving me a great view of her ass swallowing up my cock.

I'M A SEX NEWBIE SO I WANT TO DO IT ALL NOW!
ADULTS ONLY

Editor,

I can't believe Paulina is that lonely. She can have any man she wants. But if she really is, and wants a man that can do her right, why that would be me. Please forward her my email, phone number and/or address.

– Sam, Detroit

I shot my load deep into her ass and after another short break and some cleanup we started to 69 again this time. Her mouth was so warm and she always had the right pressure on my cock. She mumbled with my cock in her mouth that I should cum in her mouth this time. When I did, she swirled it around and opened her mouth to show it to me – then she swallowed it. She told me she never done that before and she wanted to do it again. At this point I didn't know I could get that hard again, but I was still ready to go.

We decided to do it one more time because morning was about to break, and so I started to kiss her and then she went down on me again and she was able to get me rock hard again. We started with doggie-style and I jumped in behind her and jammed my cock into her pussy. I banged that for several minutes when she turned back at me and told me to cum in her ass, not her pussy. She wanted it that way because she was afraid her husband might want to eat her out, but he never goes near her butt hole. A strange way to end our tryst, I thought but what the hell.

– Dominic, Long Island

Taxing Sex

Hi there, my name is Francis, but my friends call me Frankie. I'm 22 years old, and I live in Hartford Connecticut. I'm writing to tell you about a lady who worked in our office. Her name was Rosanna and she came to us from a temp agency as our busy season approached. I work in a tax accounting firm and beginning the first of the year until May is, of course, our busiest season.

Her first day was probably a whirlwind for her. When I first saw her, she was being escorted around the office by the manager who seemed to be having a great time of it. As for me, I just couldn't take my eyes off her huge boobs, but the most attractive part of her body was her beautiful, tight ass. I used to look at that ass swaying from left to right when she would walk by me.

On the second day, I found out that I was to work with her for her first two weeks, and then she'd move over to another account manager. We did our thing at the office and in between tax lingo, I learned she was lonely at home with her husband being away a lot and she took the job to fill her days, but her nights were still pretty empty. Not one to try to take advantage. I played the detached-but-interested card when we weren't talking business.

At the end of her first week, she came into work on Friday obviously upset and a bit under dressed, for her. I asked if she was okay and she said she was, but she was not. I let it ride like that until lunch time, when I asked if she wanted to have lunch and talk bout her 'troubles.' At first she declined but I said that it might make her feel better, and make her afternoon go better. She agreed and when lunch time came around we headed for a snack shop and settled in.

Rosanna told me many things about her life that she was not happy with her husband, a good-for-nothing lazy-ass. From that day she became more friendly to me and shared more of her secrets and experiences.

I couldn't take it anymore, so on Monday I decided to make a plan to 'seduce' her.

We were working late on Tuesday night, the only ones left in the office. I purposely went inside our IT's server room on the pretense that one of the servers

went down. I called her to help me remove some of the old hardware and replace it. When she came in, I took her hand and pushed her to the wall and started kissing her. At first she mildly resisted but quickly she hugged me tightly and started kissing me like a wild woman. I put my hands inside her blouse and started fondling her breasts. A moment later she took off her blouse and bra and I and I took it as a message to suck her boobs. I started by licking her nipples which were now erect, swirling my tongue around them, and kneading them with my fingers.

I turned her around and pushed her chest against the cold wall. I pushed gently into her so she could feel my hard cock against her tight ass. What a feeling it was for me as she reached behind her and felt my hardness. She caught hold of my cock and started rubbing it over my jeans. She turned around and made me put my back to the wall and dropped to her knees and unzipped my jeans, found my cock through my boxers and she started sucking my cock very hard. I told her that I was about to cum, so she started sucking me harder. I blasted my juices into her mouth and she swallowed it all happily without leaving out a single drop. I told her we should get out of there, but she squeezed my cock and asked "What about me?"

I told her that if she was alone at home tonight, I'd love to make her cum, as many times as she wanted. She smiles, kissed me and said she would come to my place because she was not going to have another man in her marital bed. I sad that was fine with me and we agreed she'd come by at eight. When she got there, we wasted no time. I told her to sit on the sofa, pushed back her skirt and started sucking her pussy over her panties. She was moaning loudly. Then I pulled aside her panty and saw her pussy was clean shaven, so I started sucking and fingering her deeply. She started trembling on the sofa and finally came all over my mouth and fingers, soaking them in her love juice. She stood up on wobbly legs and told me to take her to the bedroom. She took out my ragingly dick and pulled me in the direction I pointed.

We stripped each other of all our clothes fell onto the bed. I mounted her and gave a hard push inside her pussy as she moaned loudly. I kissed her passionately to stop her from moaning and started fucking her.
We fucked for twenty minutes and when I was about to cum she told me to cum inside her mouthy. So I fucked her now even harder and as I was about to explode, I pulled out and she quickly got in position to take it in her mouth. We decided to continue in the bathroom. I had a nice two-head shower with plenty of room for two naked people.

I turned her around and rubbed her pussy and ass with the soap, then watched it run down between her ass cheeks until it ran clear.

We jumped in, soaped up each other. I massaged her breasts while the water softly washed it away. She lathered up my cock and balls and gave me a sensual hand job she also gave me hot blowjob. I turned her around and rubbed her pussy and ass with the soap, then watched it run down between her ass cheeks until it ran clear. That's when I went town and started licking her ass hole. My tongue worked all around her pucker, stabbing into it on it's way around her butt. I'd slip the tip of a finger in until I felt her hole relax and then push it in a bit deeper. She reached between her legs and rubbed her clit and then moved her hands back to play with my balls. Finally, after each came again, she dressed and went home.

A few days later she was done at the office. We stayed friends and still hook up a couple times a month. I'm very happy for lonely wives.

I have long standing relationships with my favorite glass dildo. I can't even remember how many times it's pleasured my tight pussy. And how many times it's been in my lovers' pussy. It's been three years now that my ex gave it to me to help spend the lonely nights he was away. Little did he know it replaced him.

Chelsea is a model and works quite often. She was booked for the shoot and all was going well until her now-ex husband showed up at the studio door. She asked how he found her and he said he used a GPS app to track her cell phone's location. Shit, busted again by technology. Well, the good thing is that she can now work without any hesitation. That means she's can fuck more now.
